

GRADUATES LOVE LRAPS

Ardeo Education Solutions is dedicated to serving students and families. We provide support throughout the student lifecycle, from enrollment through graduation. After graduation, if a student has a modest income, he or she can depend on LRAP to help them repay their student and parent loans.

90.6%

of graduates said they felt grateful to their alma maters for providing them assistance with paying back their loans. 2019 Graduate Satisfaction Survey

I work in a public school, and LRAP enabled me to graduate from my university of choice AND pay off my student loans while doing what I love.”

- Erica, LRAP Assistance Recipient

\$703

Average quarterly reimbursement to graduates receiving assistance from Ardeo.

It's a great program. It's real. It works. I have personally benefited from it. I can attest that it's worth considering if there's a college with it.”

- Aaron, LRAP Assistance Recipient

90.7%

of LRAP assistance recipients report being satisfied or very satisfied with Ardeo's customer service. 2019 Graduate Satisfaction Survey

By helping graduates with modest incomes repay their student and parent educational loans, **LRAPs (Loan Repayment Assistance Programs)** help colleges and universities reach their enrollment goals. By providing peace of mind, **LRAP** enables students to enroll at their first-choice institution, graduate from that institution and pursue their dream careers after graduating.
